

## Matching Gifts

Double, or even triple, your gift to the Durham Arts Council by having your employer match your donation! Thousands of companies offer to match their employee's charitable contributions. Some require forms to be completed by the employee; others have automated programs that only require a phone call. Your company's Personnel Department can give you more information about their program and should also have the proper forms to complete.

Please take a look at the matching gift list below for companies that allow their employees to direct charitable giving through matching gifts. If your company matches charitable gifts, and is not listed, please contact Rebecca Pratt Hankins, Director of Development, at 919-560-2707 or [rhankins@durhamarts.org](mailto:rhankins@durhamarts.org), to let us know!
