We'll also learn basic shot composition and digital editing techniques using Final Cut Pro. The end goal: an original 5-10 minute documentary. No experience necessary – just a willingness to play and learn! Enrollment in this course comes with a one-year membership to The People's Channel, Durham's public access television station and community media center. Upon completing the course, students will be certified to use TPC's equipment for further productions throughout the year. For more information on The People's Channel, visit www.thepeopleschannel.org. NOTE: The class will be held at The People's Channel. Lunchtime Native American Flute and Meditation

Have you always wanted to play an instrument? (Or, do you play and want to connect more with the music?) Play the way humankind started: with wind, breezes, breath. Take yourself back to a simpler time. Soothe your body with your breath. Soothe yourself and others with sound, a wind expression of your heart. Class starts with guided meditation, moves to learning about the flute, followed by another meditation and structured playing. The meditative atmosphere helps to quiet our minds, so our creative selves can be free to express themselves. Native Flutes will be available for you to use during the class.

Introductory: For people who are new to the Native American Flute
