🎨 Painting Gone Wild (Ages 16 & up)

Have you ever wondered what it means to explore paint? Have you ever just wanted to express yourself using color, line, form and energy? Would you like to explore a range of subject matter- say, abstract and landscape? Do all paintings use only paint or can other tools like pencil and collage be incorporated? Would you like to paint on a variety of surfaces? If the answer to any of these questions is YES, then this is the class for you! We will push the boundaries of painting by exploring paint and any other additions you choose to incorporate. This class is an open studio. The instructor will meet with each student individually every week to support you on your painting wild journey. Please check the DAC website for supply list. Lisa Creed, Instructor
