

TEEN INTENSIVES

June 21 - August 13

Each 2 week long session is designed for middle/high school teens ages 13-17 that have some experience with art and want to learn more about a media in-depth. Each session focuses on a particular area, allowing for teens to develop works that can be included in their portfolio. The program runs the same time as our Afternoon Adventures program which is perfect for parents who have siblings in both groups. Students will also participate in fieldtrips to museums and cultural sites throughout Durham. To create a full day program, ask about volunteer opportunities from 8am to 2pm. For more information about our youth summer program, please contact Janet Bell at 919-560-2726.
