

Music Together This is the core Music Together® class, one that a child can attend from birth through age five and through all nine song collections along with a Parent, grandparent, or caregiver, individually. Early Childhood Development researchers recommend mixed-age groupings because they foster natural, family-style learning. Younger children enjoy watching and imitating older ones; older children learn by leading younger ones; and adults are happy because the children in the family can go to class together. Each child participates at his or her own level in singing, moving, chanting, listening, watching, making up verses, and exploring musical instruments. The class provides a variety of adult-child activities that are fun and offer new ways to explore music at home. Each Family will receive 2 CD's, an Illustrated Songbook, and a Parent Guide (new families) which is essential to the curriculum and is therefore the instructor material supply fee of \$30 due on first class. Music Together Program offered by Jammin Baby, LLC.
