

Learn to Weave Project: Woven Valentine Pocket (Ages 16 & up)

In this introductory workshop, we will set up and weave a short strip on a portable backstrap loom. Then we will remove the strip from the loom, make and add a corded strap to make a tiny bag or hanging. All materials provided. No weaving experience necessary. You'll be Valentine Ready! A \$5 materials fee is due to instructor at workshop.

Digital Photography I (Ages 14 & up)

Digital photography is a wonderful, easy and friendly medium - but should you not see it that way, then this course is for you. Students will learn basic camera controls including shutter speed and aperture in order to capture the desired image and composition. A brief introduction to photo editing using Photoshop

is included. Students should have a digital camera with manual exposure control.

Beginning Photography - Outdoor Emphasis (Ages 14 & up)

Did you give someone or did you get a new SLR camera as a gift? Confused about the terms f-stop, shutter speed, ISO, white balance and their interactions with the ever-changing light conditions if you shoot outdoors? Do you want to control your camera by taking it off automatic and take the photo you would like instead of what the camera thinks you want the photo to be? Want to expand your photographic capabilities? This class, for beginners and intermediate level photographers, will discuss all of these, composition and many more topics with some emphasis on shooting outdoors. There will be a photoshoot at Duke Gardens, date and time TBD. Students should have a digital SLR camera.

Greeting Cards by **Robyn Kelly**

Graphic Design Fundamentals (Ages 16 & up)

Graphic design is everywhere you look and is defined simply as visual communication. This six week hands-on course will teach the basics of graphic design by introducing you to the design process, the fundamental principles and elements of design, and two basic graphic design programs, Adobe Illustrator and InDesign. The course will conclude by showing you how to put all of that information together. You will learn, experience and create graphic design! Computers are provided with Adobe Creative Cloud. Students are welcome to bring their own personal laptop but must have their own Adobe InDesign and Illustrator software or subscription.

Video

Make a Short

Documentary (Ages 16 & up)

This course, offered in collaboration with The People's Channel, teaches the essential elements of documentary video production. Students will learn how to use HD cameras, tripods, and professional audio equipment. We'll also learn basic shot composition and digital editing techniques using Final Cut Pro X. The end goal: an original 5-10 minute documentary. No experience necessary -- just a willingness to play and learn. Enrollment in this course includes a one-year membership to The People's Channel, the public access television station and community media center for Durham, Chapel Hill, and Carrboro. All equipment will be provided by TPC, and upon completion of the course, students will be certified to use TPC's cameras for additional productions throughout the year. For more information about The People's Channel, please visit www.thepeopleschannel.org. NOTE: There is a materials fee of \$25 due at the beginning of the first class meeting. The class will be held at The People's Channel in Chapel Hill.

Adult Theater

Theater Classes with Bulldog Ensemble Theater

Acting Basics (Ages 16 & up)

This class is an introduction to the fundamentals of acting as a process, a craft, a discipline – with basic techniques used by actors. You will discover how actors are trained and why while developing an understanding of basic acting skills, theater/acting terminology, and learn to heighten powers of observation, focus, and invention through exercises in breathing, voice, movement, and improvisation. This beginning work will lead you to the exploration and performance of texts from short scenes. The class requires a high degree of participation and willingness to engage in structured play in an ensemble.
