Graphic Design Fundamentals (Ages 16 & up)

Graphic design is everywhere you look and is defined simply as visual communication. This six week hands-on course will teach the basics of graphic design by introducing you to the design process, the fundamental principles and elements of design, and two basic graphic design programs, Adobe Illustrator and InDesign. The course will conclude by showing you how to put all of that information together. You will learn, experience and create graphic design! Computers are provided with Adobe Creative Cloud. Students are welcome to bring their own personal laptop but must have their own Adobe InDesign and Illustrator software or subscription.

Video

Make a Short

Documentary (Ages 16 & up)

This course, offered in collaboration with The People's Channel, teaches the essential elements of documentary video production. Students will learn how to use HD cameras, tripods, and professional audio equipment. We'll also learn basic shot composition and digital editing techniques using Final Cut Pro X. The end goal: an original 5-10 minute documentary. No experience necessary -- just a willingness to play and learn. Enrollment in this course includes a one-year membership to The People's Channel, the public access television station and community media center for Durham, Chapel Hill, and Carrboro. All equipment will be provided by TPC, and upon completion of the course, students will be certified to use TPC's cameras for additional productions throughout the year. For more information about The People's Channel, please visit www.thepeopleschannel.org. NOTE: There is a materials fee of \$25 due at the beginning of the first class meeting. The class will be held at The People's Channel in Chapel Hill.

Adult Theater

Theater Classes with Bulldog Ensemble Theater

Acting Basics (Ages 16 & up)

This class is an introduction to the fundamentals of acting as a process, a craft, a discipline – with basic techniques used by actors. You will discover how actors are trained and why while developing an understanding of basic acting skills, theater/acting terminology, and learn to heighten powers of observation, focus, and invention through exercises in breathing, voice, movement, and improvisation. This beginning work will lead you to the exploration and performance of texts from short scenes. The class requires a high degree of participation and willingness to engage in structured play in an ensemble.

Improv Theater Scenework (Ages 16 & up)

Scenework is the key to improv and there are many moving parts. Have fun while learning specific components of good scenework. Build your knowledge and skills base so you can support more artistic choices. Learn how to hop on the joyride of 'living in the moment.' You will tune into what is present in you and your partner and focus on that relationship. Watch the 'comedic you' emerge without jokes or gags. Listening and focus are your friends. Background: While all level of skills are welcome, you should have completed a beginning improvisation class in either long or short form improvisation or have a theater background. Returning students will be able to expand their scenework skills since this class is customized to those enrolled.
