Our Stage One Classes, done in partnership with Triangle Youth Ballet, are an introduction to dance through a ballet-based creative movement for boys and girls. Using music, movement and make-believe, students develop their dance skills. Young dancers experiment with new ways to move their bodies, both directed and free-form, with attention to musicality and rhythm. Age-appropriate cognitive skills, such as counting, sequential organization, spatial awareness and comparative abstract concepts are woven into the class structure.
